Corporate and Transactional Services

Our group members capably represent both corporate and nonprofit clients to help them achieve their desired business or organizational goals. Our attorneys represent a broad spectrum of clients from Fortune 500 companies and nonprofits to start-ups. Our clients are in a variety of industries, including technology, medical, biotechnology, insurance, accounting, healthcare, financial, and real estate. We tailor our services to fit the size and style of the organization or individual that we represent.
