Gaming Law

Members of our commercial litigation team have considerable experience defending and counseling local and national clients all over the country in a wide range of gaming and entertainment law matters including handling complex litigation over the development and management of Indian gaming projects, labor and employment matters, and intellectual property matters. We have represented the world's largest gaming company for more than 20 years on numerous matters, along with casinos, Indian tribes, product manufacturers and suppliers, as well as investors, lenders and vendors.
