- Real Estate

**Tailored Solutions for Every Client** We understand that each organization, regardless of size or structure, has unique needs and goals, and we tailor our services to each client's specific requirements, ensuring they receive the most effective legal representation. **Key Corporate Practice Areas**

- **Entity Formation and Governance:** We guide clients through the process of forming new businesses, including corporations, LLCs, and partnerships. We also advise on ongoing corporate governance matters, ensuring compliance with relevant regulations.
- **Mergers and Acquisitions:** Our team assists with all aspects of M&A, from initial negotiations and due diligence to structuring and closing the transaction.
- **Securities and Capital Markets:** We provide counsel on private placements, debt financing, and other capital-raising activities.
- **Commercial Transactions:** We handle a wide range of commercial contracts, including joint ventures, strategic alliances, licensing agreements, and intellectual property matters.
- **Tax Law:** We work closely with tax advisors to ensure clients comply with all applicable tax laws and regulations.

**Dedicated Nonprofit Practice** A substantial part of our corporate practice focuses on the unique legal needs of nonprofit organizations, particularly those in the health care sector and private foundations. Our attorneys are among the top advisors to nonprofit organizations, particularly sought after for organizations facing transformational events such as mergers, leadership transitions, expansion, and contraction. We regularly advise these clients on matters such as:

- **Formation and Governance:** Obtaining tax-exempt status, setting up governing structures, and ensuring regulatory compliance
- **Transactions:** Mergers, reorganizations, joint ventures, and dissolutions
- **Financial Matters:** Tax issues, tax-exempt bond financing
- **Donor issues:** endowment funds, charitable contributions, and restrictions
- **Operations:** Charitable solicitation requirements, program-related investments, conflicts of interest, and unrelated business income concerns

Our team represents a diverse range of nonprofit organizations, including:

- Healthcare providers (hospitals, clinics, home care, and senior living facilities)
- Educational institutions (private and charter schools, colleges, universities)
- Charitable organizations
- Religiously affiliated institutions
- Associations and trade organizations
- Foundations (private and corporate)
